### CHALLENGE

GrubHub Seamless wanted to implement a simple and effective employee recognition and rewards platform that offers transparent analytics. Their goal was to offer competitive, money-saving employee perks to attract and retain top talent in an increasingly difficult talent market.

*“Being able to offer an AnyPerk.com membership for a new team member starting their first day is like saying, ‘Not only are you starting a new adventure with the organization, but we’re committed to providing you with great tools for success in the workplace and outside of the workplace.’” - Jim Leahy, GrubHub Seamless*

### SOLUTION

GrubHub Seamless implemented AnyPerk, offering their employees instant access to over 850 perks in fitness, shopping, travel, auto, childcare, and more. With AnyPerk’s straightforward analytics, GrubHub Seamless can measure how their employees value AnyPerk’s platform by how regularly they redeem perks.

### RESULTS

- The average GrubHub Seamless employee saves \$264 annually using AnyPerk.
- Employee engagement on AnyPerk’s platform is 77%.
- The total employee savings using AnyPerk was over \$100K.
